Veto Message from the Mayor to the City of Quitman Board of Aldermen

Date Issued: March 29, 2023

Veto Message No. 002

RECEIVED

MAR 29 2023

CITY OF QUITMAN

REFERENCE: ISSUE NO. 1 VETO
CONCERNING THE MOTION MADE BY ALDERMAN HARRY WHEAT
AND SECONDED BY ALDERMAN STEVE NEELY
IN RESPONSE TO THE QUITMAN TRAIN DEPOT LEASE AGREEMENT
BETWEEN THE CITY OF QUITMAN AND CLARKE COUNTY CHAMBER OF COMMERCE

During the budget process for the current fiscal year, I discovered and notified the Board of Aldermen that the current Quitman Depot Lease Agreement, with an effective date of November 1, 1999, had expired some twenty years ago. I then advised the board that this expired lease agreement between the City of Quitman and the Clarke County Chamber of Commerce needed to be updated during this budget process with more realistic amounts for lease and utility payments to account for over twenty years of inflation. The board agreed and unanimously approved the 2023 Fiscal Year Budget incorporating the following changes for the Quitman Depot Lease: (1) an increase of the monthly lease payment from \$250.00 per month to \$450.00 per month, (2) an increase in the amount of a utility payment for water, gas, and electricity from \$60.00 dollars per month to \$100.00 per month, and (3) a decrease from a five year lease to a one year lease. This increase did nothing more than convert 1999 dollar amounts to present day dollar amounts to account for twenty-four years (24) of unaccounted for inflation.

Over the next few weeks, I incorporated the Board of Aldermen's requested changes in a new and revised lease agreement between the Clarke County Chamber of Commerce and the City of Quitman for the lease of an office room, board room, and private bathroom located inside the Quitman Train Depot. Any outdated language was also revised or removed while receiving City Attorney approval, multiple times, at several stages during the revision process. In late February 2023, at the City Attorney's suggestion, I met with the Clarke County Chamber of Commerce President, Mr. Greg Jackson, where we read and discussed the entire new lease agreement. Greg Jackson stated that he would present the new lease agreement to the Chamber of Commerce Board for approval at their next meeting on March 29, 2023 with a tentative effective date for the new lease starting April 1, 2023.

On Friday, March 17, 2023, the City Clerk prepared the board packets for the upcoming City of Quitman Board of Aldermen meeting scheduled for Tuesday, March 21, 2023. The City Clerk included a copy of both the outdated 1999 lease agreement and the new lease agreement including a copy of the March 21, 2023 agenda listing "Quitman Train Depot Lease Agreement" under new business. These board packets

were then promptly taken to the City of Quitman Police Department for delivery to each board member and the City Attorney. While following the agenda at the regularly scheduled board meeting on March 21, 2023, I presented the new lease agreement to the City of Quitman Board of Aldermen for approval.

Immediately following my presentation while asking for a motion for approval of the new lease agreement between the Clarke County Chamber of Commerce and the City of Quitman, Alderman Harry Wheat asked for confirmation that Historic Clarke County owned the GM&O Boxcar adjacent to the Quitman Depot. I advised that I was present at the Clarke County Chamber of Commerce board meeting when the Chamber of Commerce acknowledged and accepted Historic Clarke County's claim of ownership of the GM&O boxcar and promptly scheduled the removal of Chamber property from the boxcar. I then said, "Yes, Historic Clarke County apparently owns the GM&O boxcar."

Alderman Harry Wheat then made the following motion: "I make a motion to charge Historic Clarke County \$225.00 a month for their boxcar sitting on the City of Quitman property and to charge the Clarke County Chamber of Commerce \$225.00 a month rent, leaving the utilities rent amount as is."

The following parenthetical expression is included for clarification: *(Alderman Wheat's motion reduced the Clarke County Chamber of Commerce monthly lease payment from the 1999 rate of \$250.00 to \$225.00, while leaving the utilities payment at the 1999 rate of \$60.00 per month. The new lease agreement prepared and presented to the Board of Aldermen, for approval, contained the new figures previously requested by the Board of Aldermen with a monthly lease payment of \$450.00 and a monthly utilities payment of \$100.00.)*

Alderman Steve Neely seconded the motion, and a roll call vote was taken as follows:

Ward 1 Alderman Joe Brooks	Voted	YES
Ward 2 Alderwoman Bridgett Peters	Voted	YES
Ward 4 Alderman Steve Neely	Voted	YES
Alderman At Large Harry Wheat	Voted	YES

(Alderman Ron Holloway was not present at the meeting)

During the discussion period surrounding this issue, Alderman Harry Wheat stated that the City of Quitman still gets \$450.00 per month rent with this arrangement by having the Clarke County Chamber of Commerce pay half and Historic Clarke County paying the other half.

ISSUE NO. 1 VETO

Therefore, I, Steve Watkins, Mayor of the City of Quitman, Mississippi operating under the authority and in accordance with Miss. Code Ann. § 21-3-15 et seq. do hereby VETO the above Order issued by the City of Quitman Board of Aldermen on March 21, 2023, concerning the \$225.00 per month rent payment being imposed on Historic Clarke County, for the following reasons:

Historic Clarke County is not a party to the lease agreement presented to the Board of Aldermen for approval on March 21, 2023, and therefore, cannot be included in, and has no bearing on, any discussion affecting the amount of lease payment, or any other payments, being considered for the Clarke County Chamber of Commerce Quitman Train Depot Lease Agreement. The Quitman

Depot, the GM&O boxcar and the entire depot City of Quitman property are listed as a Mississippi Landmark with the Mississippi Department of Archives and History, being the highest form of recognition bestowed on properties by the State of Mississippi and offering the fullest protection under the Antiquities Law of Mississippi, Miss. Code Ann. § 39-7-1 *et seq.* Due to the historical significance of having a GM&O boxcar included with a GM&O depot as part of a Mississippi Landmark, the City of Quitman has received twenty-four (24) years of benefit by allowing Historic Clarke County to place the GM&O boxcar on city property. This historically correct GM&O boxcar, purchased by Historic Clarke County, has enhanced the overall appearance and significance of the City of Quitman, Mississippi Landmark, without the City of Quitman spending a dime of taxpayer money. Therefore, I submit, for this reason, the City of Quitman has maintained a long established practice, spanning twenty-four years, of not charging Historic Clarke County rent, for allowing them to place the GM&O boxcar on city property, and has no valid reason to suddenly begin charging now.

This VETO message was presented to the City Clerk for proper dissemination on Wednesday, March 29, 2023.

Mayor Steve Watkins
